

Save It for Later

Pete Townshend

Two dozen other dirty lovers
Must be a sucker for it
Cry, but I don't need my mother
Just Hold My hand while I come to a decision on it Sooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down
Sooner or later
You hit the deck, you get found out
Save it for later
You run away, run away and let me down
Black air and seven seas and rotten through
But what can you do?
I don't know how get on with you lot
Sometimes I don't try
I just now, now, now, now, now Sooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down
Sooner or later
You hit the deck, you get found out
Save it for later
Don't run away, don't run away and let me down Why don't you hold me
Why don't you hold me and kiss me
Why don't you just hold me
Why don't you hold me and kiss me now
Two dozen other stupid reasons
Why we should suffer all this
I can't see teeth to find a reason
Just to him I come to a decision on this Sooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down
Sooner or later
You hit the deck, you get found out
Save it for later
Don't run away, you run away and let me down Why don't you hold me
Why don't you hold me and kiss me
Why don't you just hold me
Why don't you hold me and kiss me now Save it for later, mmm
Save it for later
Save it for later honey

Save that stuff for later Hold me
Why don't you hold me and kiss me
I want you just hold me
Why don't you hold me and kiss me now Don't run away, don't run away and let me down
Don't run away, don't run away and let me down
