

Miss Chatelaine

[k.d. lang](#)

(kd lang/Ben Mink)Just a kiss just a kiss
I have lived just for this
I can't explain why I've become
Miss ChatelaineJust a smile just a smile
Hold me captive just a while
I can't explain why I've become
Miss ChatelaineEvery time your eyes meet mine
Clouds of qualm
Burst into sunshine
Just a sigh just a sigh
Words my love just reply
I can't explain why I've become
Miss Chatelaine
Miss ChatelaineZing!Just a smile just a smile
Hold me captive just a while
I can't explain why I've become
Miss ChatelaineEvery time your eyes meet mine
Clouds of qualm
Burst into sunshineJust a kiss just a kiss
I have lived just for this
I can't explain why I've become
Miss Chatelaine
Miss Chatelaine
Miss Chatelaine
Miss Chatelaine
Miss Chatelaine
