

# Pusher Love Girl

Justin Timberlake

Hey little mama,  
Ain't gotta ask me if I want to  
Just tell me can I get a light  
Roll you up and let it run through my veins Cause I can always see the furthest stars  
When I'm on you And I don't wanna ever come down  
Off this cloud of loving you  
Now you got me hopped up on that  
(Pusher love)  
So high I'm on the ceiling baby (You're my drug) So go on and be my dealer babe  
(Roll me up)  
Cause all I want is you babe, yeah  
One more time  
(Pusher love)  
So high I'm on the ceiling baby (Be my drug)  
So go on and be my dealer babe  
(me up) Cause all I want is you baby, yeah  
You're my little pusher love girl,  
Ain't ya?  
Just my little pusher love girl  
Now hey little mama  
I love this high we're on to  
And I know that your supply  
Won't run out anytime soon  
Cause you gave me a taste  
Now I know that there's no getting off you  
And I don't wanna ever come down off this cloud of lovin' you Now you got me hopped up on  
that (Pusher love)  
So high I'm on the ceiling baby  
(You're my drug)  
So go on and be my dealer babe  
(Roll me up) Cause all I want is you babe, yeah  
One more time  
(Pusher love)  
So high I'm on the ceiling baby (Be my drug)  
So go on and be my dealer babe  
(me up)  
Cause all I want is you babe, yeah  
You're my little pusher love girl,  
Ain't ya?  
Yes you are  
Just my little pusher love girl (Ain't ya?) Since you came around I've been living a different life  
And I don't wanna come down

From this love I got on high  
People call me a user  
But what I want you To go on and use me too Nothing else will do  
All I want is you babe  
Baby,  
You know who you are  
Now you got me hopped up on that (Pusher love) So high I'm on the ceiling baby  
(You're my drug)  
So go on and be my dealer babe  
(Roll me up)  
Cause all I want is you babe, yeah  
One more time  
(Pusher love)  
So high I'm on the ceiling baby (Be my drug)  
So go on and be my dealer babe  
(me up)  
Cause all I want is you babe, yeah  
One more time  
(Pusher love) So high I'm on the ceiling baby  
(You're my drug)  
So go on and be my dealer babe  
(Roll me up)  
Cause all I want, All I want  
All I want is you babe  
(Pusher love)  
So high I'm on the ceiling baby  
(Be my drug)  
So go on and be my dealer babe  
(me up)  
Cause all I want is you baby, yeah  
You're my little pusher love girl, so sweet  
Yes you are  
Just my little pusher love girl, ain't ya?  
She's my little pusher love girl... (Pusher love)  
I'm just a (J-j-j-junkie for your love)  
I'm just a (J-j-j-junkie for your love)  
Now I'm just a (J-j-j-junkie for your love)  
I'm hopped upon it  
(Pusher love)  
Now I'm just a (J-j-j-junkie for your love)  
Break it down  
My heroine,  
My cocaine  
My plum wine,  
My MDMA  
I'm hopped upon it  
It won't go away  
Now I can't wait 'til I get home  
And get you in my vein

(Pusher love)  
I'm just a (J-j-j-junkie for your love)  
Hopped upon it  
And now I'm just a (J-j-j-junkie for your love) (Pusher love)  
I'm just a (J-j-j-junkie for your love)  
I'm hopped upon it  
And now I'm just a (J-j-j-junkie for your love) My nicotine,  
My blue drink  
My hydroplonic,  
My candy jelly bean  
Can't you fix me up,  
I'm your number one fan  
Be my little pill  
And just creep into my blood stream  
Bloodshot eyes,  
I'm hopped upon it  
You ain't gotta think twice  
Just hop upon it  
There's a million names for your kind of chronic  
Huh,  
That pusher love  
That's what I call it  
(Pusher love)  
I'm just a (J-j-j-junkie for your love)  
I'm hopped upon it  
Now I'm just a (J-j-j-junkie for your love)  
Let me hear you say  
(Pusher love)  
Now I'm just a (J-j-j-junkie for your love)  
I'm hopped upon it  
Yeah!  
And now I'm just a (J-j-j-junkie for your love)  
(Pusher love)  
(Pusher love)  
(Pusher love)
