

# Who You Love (feat. Katy Perry)

John Mayer

You love, who you love, Who you love  
You love, who you love, Who you love My girl, she ain't the one that I saw coming  
And sometimes I don't know which way to go  
And I tried to run before  
But I'm not running anymore  
Cause I've fought against it hard enough to know That You love, who you love, Who you love  
You love, who you love, Who you love  
You love, who you love, Who you love Oh, you can't make yourself stop dreaming  
Who you're dreaming of  
If it's who you love  
Then it's who you love  
My boy, he ain't the one that I saw coming  
And some have said his heart's too hard to hold  
And it takes a little time  
But you should see him when he shines  
Cause you never wanna let that feeling go When You love, who you love, Who you love  
You love, who you love, Who you love  
Yeah, You love, who you love, Who you love Oh, you can't make yourself stop dreaming  
Who you're dreaming of  
If it's who you love  
Then it's who you love Oh, You love, who you love, Who you love  
You love, who you love, Who you love  
You love, who you love, Who you love  
Oh, you can't make yourself stop dreaming  
Who you're dreaming of  
If it's who you love  
Then it's who you love It's who you love  
Who you love  
Who you love  
Who you love  
You're the one I love
