

# Lo Que Siento

## Cuco

Dreaming of you when I'm alone  
Baby, don't trip, I'm coming home  
Kick it with me, I don't care if the sun is gone  
Baby, don't cry when I am gone  
Promise you are everything I want  
This is for you, baby, listen, it's your song Oye cariño, solo pienso en ti  
When I wake up in the morning until I go back to sleep  
How I wish you were mine, I think of you all the time  
I always feel like I'm flying  
Baby, you make me feel fine Lost in the words that you say to me  
Y pasando tiempo juntos, is the ultimate dream  
I'm on the top of the world, baby girl, can't you see?  
I found my perfect girl, I want to make you my queen  
Time and time again I can be feeling real sad  
'Cos mi sueño no se ha hecho una realidad  
Pero el tiempo dirá, el tiempo dirá  
If we go spend our life together en lo que el mundo gira I promise I don't want nobody else to be  
around me but you  
And nobody's touch and nobody's lips can make me feel like yours do  
Our hands in a lock, nuestros labios se conocen  
Nuestra noche es corta, pero hermosa we'll be okay Dreaming of you when I'm alone  
Baby, don't trip, I'm coming home  
Kick it with me, I don't care if the sun is gone  
Baby, don't cry when I am gone  
Promise you are everything I want  
This is for you, baby, listen, it's your song Sin ti mis días son largos y se sienten tan amargos  
Me ahogo en un lago de mis lágrimas que hago  
Can't look forward to my future if it ain't including you  
Promise that I'm gonna love you, it's about that time you do  
I swear I don't see nothing but I want to lay here with you  
And I hope you know I miss you  
From my head, I can't dismiss you  
Eres lo que yo anhelaba en esta vida, que me falta  
Lo que siento is surreal, I can't lie to you for real Sabes bien que te quiero  
And if you're down to spend your summer with me just let me know  
You know you're my sueño  
You came to my life and now I feel alright Dreaming of you when I'm alone  
Baby, don't trip, I'm coming home  
Kick it with me, I don't care if the sun is gone  
Baby, don't cry when I am gone  
Promise you are everything I want  
This is for you, baby, listen, it's your song Dreaming of you when I'm alone

Baby, don't trip, I'm coming home  
Kick it with me, I don't care if the sun is gone  
Baby, don't cry, when I am gone  
Promise you are everything I want  
This is for you, baby, listen, it's your song
