## Taylor Swift

My only one  
My smoking gun  
My eclipsed sun  
This has broken me down  
My twisted knife  
My sleepless night  
My winless fight  
This has frozen my ground  
Stood on the cliffside  
Screaming, "Give me a reason"  
Your faithless love's the only hoax  
I believe in  
Don't want no other shade of blue  
But you  
No other sadness in the world would do  
My best laid plan  
Your sleight of hand  
My barren land  
I am ash from your fire  
Stood on the cliffside  
Screaming "Give me a reason"  
Your faithless love's the only hoax  
I believe in  
Don't want no other shade of blue  
But you  
No other sadness in the world would do  
You know I left a part of me back in New York  
You knew the hero died, so what's the movie for  
You knew it still hurts underneath my scars  
From when they pulled me apart  
You knew the password, so I let you in the door  
You knew you won, so what's the point of keeping score?  
You knew it still hurts underneath my scars  
From when they pulled me apart  
But what you did was just as dark  
Darling, this was just as hard  
As when they pulled me apart  
My only one  
My kingdom come undone  
My broken drum  
You have beaten my heart  
Don't want no other shade of blue  
But you  
No other sadness in the world would do
