

# That's the Way Love Goes

Merle Haggard

I've been throwing horseshoes  
Over my left shoulder  
I've spent most all my life  
Searching for that four-leafed clover  
Yet you ran with me,  
Chasing my rainbows  
And honey I love you, too  
that's the way love goes. That's the way love goes, babe  
That's the music God made  
For all the world to sing  
Its never old; it grows  
Losing makes me sorry  
well now, Honey, don't worry.  
dont u kno i love u too  
that's the way love goes. That's the way love goes, babe  
That's the music God made  
For all the world to sing  
Its never old; it grows  
Losin makes me sorry  
you say, honey I don't worry  
I love you too  
thats the way love goes
