

# Piece Of Mind

Kehlani

Tryna forget all of the messages  
Tryna forget all of the stressin'  
'Cause damn it was  
Tryna forget all of the secondary  
Feelings I had, man, it was fuckin' scary  
Tryna get back to all my old ways  
Tryna get back to all the hobbies from my old days  
(Gettin' back)  
Tryna forget all the unnecessary  
Thoughts from my head, man, it was pretty scary  
At least I learned a thing or two (yeah)  
About me and you (yeah)  
What we went through (yeah)  
But it made me who I am, I am, I am  
I can feel again  
Won't be numb again (numb)  
At least I didn't mess it up (yeah)  
That was all your touch (yeah)  
I don't miss it much (yeah)  
But it made me who I am, I am, I am  
I can feel again  
Won't be dumb again (dumb) Said I'm tryna break off a piece of mind  
A piece of mind that I can't get right  
(I can't get right)  
Said I'm tryna break off a piece of mind  
A piece of mind, my heart's on my side  
(My heart is on my side)  
You said yourself you made me who I am  
You told me that after you I would never love again (Didn't I?)  
Oh you made sure that I would lose myself  
So I wanna see I need no one else  
Just tell me that I was worth a million smiles, and...  
Tell me that I was worth a million miles, and...  
Tryna make sure that I forget the times that  
You made me think that I just couldn't shine, yeah At least I learned a thing or two (yeah)  
About me and you (yeah)  
What we went through (yeah)  
But it made me who I am, I am, I am  
I can feel again  
Won't be numb again (numb)  
At least I didn't mess it up (yeah)  
That was all your touch (yeah)

I don't miss it much (yeah)  
But it made me who I am, I am, I am  
I can feel again  
Won't be dumb again (numb) Said I'm tryna break off a piece of mind  
A piece of mind that I can't get right  
(I can't get right)  
Said I'm tryna break off a piece of mind  
A piece of mind, my heart's on my side  
(My heart is on my side) On my side, yeah  
On my side, yeah  
Gotta get a little piece of mind  
Gotta make sure that it feels just right  
Gotta make sure that I make it alive this time Said I'm tryna break off a piece of mind  
(I'm tryna break off)  
A piece of mind that I can't get right  
(Boy that I can't get right)  
Said I'm tryna break off a piece of mind  
(A piece of mind)  
A piece of mind, my heart's on my side  
(My heart is on my side)  
My heart's on my side, yeah, yeah)
