

24

Arizona Zervas

Take, take it easy word to 94! I got 24 hours, 24 hours, 24 hoes in the hotel tower
24 bitches on the guest list, yeah
24 karats on my necklace, yeah
24 hours, 24 hours, 24 hoes in the hotel tower
24 bitches on the guest list, yeah
24 Karats on my necklace, yeah
Ballin' like I'm Kobe, two four on my jersey
I stay with the homies, they pop out if you hurt me
I might cop a Rollie, for all the hoes who curved me
When I pull up swerving, that's that Lamborghini Merc
I might do the dash, goin' fast in the coupe
I've been getting cash, all my racks lookin' blue
Chains goin' splash when I smash in the pool
Yeah, I don't take no nap, I been stacking two to two
I'm mixing with the cup she just put something in my water
Three shots ain't enough, my shorty pour me up stronger
We just got the addy and she on one too
We pull up with baddies to the hotel room
I got 24 hours, 24 hours, 24 hoes in the hotel tower
24 bitches on the guest list, yeah
24 Karats on my necklace, yeah
24 hours, 24 hours,
24 hoes in the hotel tower
24 bitches on the guest list, yeah
24 Karats on my necklace, yeah 24 hours, 24 hours
24 hours, 24 hours, yeahwoo
