-Joy-Can't forget the day
That you walked into my Life
It was just the kind of thing
That was so right on timeAfter all the love changes
My heart had locked the door
Then that girl released her magic
And made me love once more(ooohooohhoo)Like the warm rays of the sun
Her sweet love can shine down on me(ohhhhohhha)All at once turned my life around
And with one kiss she set me free
(Chorus)She's giving me Joy, Joy, Joy
That girl she brings me JoyShe's giving me Joy, Joy, Joy
That girl she brings me JoyGoodbye Loneliness
And so long to my heartache
Now that Joy has taken over
And decided to stayHer love lifts me up
Like no other love before
With every beat of my heart
I'm Hold... Holding on... heyayyayyJust look what she's done for me
She's erased all the sadness away
I could never repay the deed
Cause she keeps lovin me more and more
(Chorus)She's giving me Joy, Joy, Joy
