OK It's time to LeggoThere's no need for any words right now

You and I, our eyes are talking

Don't say anything, there's no need for words

Softly come to my wet lips and kiss meThe typical words of I love you

Seems special tonight

Why is my heart beating so fast?

Now it is time

My dear, when the full moon rises, come see me

Before the night is over, before the sun comes up, hurry

My dear, when the full moon rises, give me your love

Before the night is over, before the sun comes up, come see meeh eh eh eh eh

eh eh eh eh eh

eh eh eh eh eh (Perfect weather can get no better)

eh eh eh eh eh

eh eh eh eh eh

eh eh eh eh eh (Everything around us so so real yo)Tonight, It's the night

With the full moon shining, it's the perfect night to whisper love

The weather makes me feel good, 11 PM, it's the perfect setting

Even the sky is blessing us

Don't rush, don't leave anything out

Just think about us, the night is long

I'll hold your hand as we're walking on the moon

The tightly shut door is open, the dream I've had for a long time

As our clothes get drenched in the rain

We are walking on this path alone

As we whisper sweet love to each otherRomanized:
