

# So

## Static-X

So I've betrayed self  
So I've betrayed you  
So whats now?  
So whats do we do? Pushing you away  
Pushing you away  
Pushing you away  
Away from me Pushing you away  
Pushing you away  
Pushing you away  
Away from me So I'm, I'm confused  
So you're not amused  
So I'm feeling used  
So whats do we do?  
Pushing you away  
Pushing you away  
Pushing you away  
Away from me Pushing you away  
Pushing you away  
Pushing you away  
Away from me Empty inside  
I'm dying, I'm crying  
She makes me bad  
Betrays my head  
Empty inside  
I'm dying, I'm crying  
She makes me bad  
Pushing you away  
Pushing you away  
Pushing you away  
Away from me Pushing you away  
Pushing you away  
Pushing you away  
Away from me Pushing you away  
Pushing you away  
Pushing you away  
Away from me Pushing you away  
Pushing you away  
Pushing you away  
Away from me Empty inside  
I'm dying, I'm crying  
She makes me bad  
Betrays my head

Empty inside  
I'm dying, I'm crying  
She makes me bad
