

# Hey Teacher

## Louis XIV

You keep on telling me these pretty lies  
Well I'm just a man and want you instead of the drugs that get me high  
You keep on telling me these pretty lies  
Well I'm just a man and want you instead of the drugs that get me high  
You're all around me  
like a freight elevator  
You put things in me and say I'll see you later  
Every time I raise the courage up to talk  
My teacher says go to the board with a piece of chalk  
I'll never talk out of turn again in class  
Will it be alright if I see you tonight  
Well, I feel like a bird in a cage  
For you to notice me, Well I'd take out a knife  
Suicide right on the stage  
I'm like a fish on a hook  
Water splash into the brook  
Well, teacher says she's twice my age  
Hey teacher could you ease my pain  
I can only watch you so long  
I can only watch you so long, so long  
You keep on telling me these pretty lies  
Well I'm just a man and want you instead of the drugs that get me high  
You keep on telling me these pretty lies  
Well I'm just a man and want you instead of the drugs that get me high  
I'll never talk out of turn  
again in class  
Will it be alright if I see you tonight  
Well, I feel like a bird in a cage  
For you to notice me, Well I'd take out a knife  
Suicide right on the stage  
I'm like a fish on a hook  
Water splash into the brook  
Well, teacher says she's twice my age  
Hey teacher could you ease my pain  
I can only watch you so long  
I can only watch you so long, so long  
I can only watch you so long  
I can only watch you so long, so long  
Who's your teacher's pet?
