

Fine China

Future & Juice WRLD

The world on drugs
Ten (Yeah) thousand dollar plates
Thousand dollar plates
Thousand dollar plates, fine china
Shawty like a, uh
Shawty like a
(Wheezy outta here)Shorty like a thousand dollar plate, fine china
Tell her that she beautiful every day, I remind her
Then I jump in the pussy like a lake, I'm a diver
And her last man was a pussy, had a vagina
I get lost in her eyes like dust from the sky
It's her body or nobody, I refuse to compromise
So if she leaves, I'ma kill her, oh, she'll die
Did I say that out loud? I'm so crazy about mine
Goin' insane
Feel you pickin' up and movin' things inside my brain
I know I don't have to argue about everything
But we don't have the same soul
Went and sold drugs 'til went got a bigger bankroll
Tell me that you love me, baby, say it again
Repeat it over and over until it's in my brain
Picked up the drugs so I let my brain go
What a fine choice too, but I'm selfish about my Percs, ohShorty like a thousand dollar plate,
fine china
Tell her that she beautiful every day, I remind her
Then I jump in the pussy like a lake, I'm a diver
And her last man was a pussy, had a vagina
I get lost in her eyes like dust from the sky
It's her body or nobody, I refuse to compromise
So if she leaves, I'ma kill her, oh, she'll die
Did I say that out loud? I'm so crazy about mine
I'm so crazy about mine
(Wheezy outta here)
I'm goin' to Pluto with my girl (Oh, shorty)
I'm goin' to Jupiter with my girl (Don't call your exes)
I'm goin' to Mars with my girl (Don't call your exes)
I'm goin' to Saturn with my girl
Been feelin' like I'm runnin' out of space
You need to send your location, I can't think
I done fell in love twice but I gotta be lyin'
'Cause I'm livin' ten lives, I go crazy about mines (Ayy)Shorty like a thousand dollar plate, fine
china

Tell her that she beautiful every day, I remind her
Then I jump in the pussy like a lake, I'm a diver
And her last man was a pussy, had a vagina
I get lost in her eyes like dust from the sky
It's her body or nobody, I refuse to compromise
So if she leaves, I'ma kill her, oh, she'll die
Did I say that out loud? I'm so crazy about mine
Did I say that out loud? I'm so crazy about mine
