

Karma

Joss Stone

Oh yeah, yeah
If I was just a little bit stronger baby
Could make it last a little bit longer maybe
Could made it on my own
I should have just let you go
I should have been a little bit stronger baby If I was just a little bit sweeter baby
I know, I know, I know I wouldn't be here alone
Thank God im a little bit meaner baby
I am what I am, you did what you did
Im glad im not a sinner baby, cause he's a twist
You are what you are, I saw what I saw
Karma is your master, and you're the bitch You could have tried a little bit harder baby
You could have been a little smarter baby
I tried not to see when you were on and off for me
You could have tried a little bit harder baby I am what I am, you did what you did
Im glad im not a sinner baby, cause he's a twist
You are what you are, I saw what I saw
Karma is your master, and you're the bitch Yes, you are, yeeeah
Now I got a loaded gun now baby
Gonna love to watch you run like a lady
And cry like a baby just like a did when you have gone
I should have been a little bit stronger
I should have been a little bit harder
I should have been a little bit tougher
I should have been a little bit smarter
I should have been a little bit rougher
I should have been a little bit stronger
I should have been a little bit faster
Away from you baby, away from you
Im maybe on my own, now the feeling's gone
It's all gone
