## Karma

## **Joss Stone**

Oh yeah, yeah
If I was just a little bit stronger baby
Could make it last a little bit longer maybe
Could made it on my own
I should have just let you go

I should have been a little bit stronger babyIf I was just a little bit sweeter baby

I know, I know I wouldn't be here alone

Thank God im a little bit meaner baby

I am what I am, you did what you did

Im glad im not a sinner baby, cause he's a twist

You are what you are, I saw what I saw

Karma is your master, and you're the bitchYou could have tried a little bit harder baby

You could have been a little smarter baby

I tried not to see when you were on and off for me

You could have tried a little bit harder babyI am what I am, you did what you did

Im glad im not a sinner baby, cause he's a twist

You are what you are, I saw what I saw

Karma is your master, and you're the bitchYes, you are, yeeeah

Now I got a loaded gun now baby

Gonna love to watch you run like a lady

And cry like a baby just like a did when you have gone

I should have been a little bit stronger

I should have been a little bit harder

I should have been a little bit tougher

I should have been a little bit smarter

I should have been a little bit rougher

I should have been a little bit stronger

I should have been a little bit faster

Away from you baby, away from you

Im maybe on my own, now the feeling's gone

It's all gone
