Till the Morning Comes

Grateful Dead

Till the morning comes It'll do you fine Till the morning comes Like a highway sign Showing you the way Leaving no doubt Of the way on in or the way back outTell you what I'll do I'll watch out for you You're my woman now Make yourself easy Make yourself easy Make yourself easy Till we all fall down It'll do you fine Don't think about What you left behind The way you came Or the way you go Let your tracks be lost in the dark and snowTell you what I'll do I'll watch out for you You're my woman now Make yourself easy Make yourself easy Make yourself easy When the shadows grow It'll do you fine When the cold winds blow It'll ease your mind The shape it takes Could be yours to choose What you may win, what you may loseTell you what I'll do I'll watch out for you You're my woman now Make yourself easy Make yourself easy Make yourself easy
