Everybody Loves Somebody

Dean Martin

Everybody loves somebody sometime Everybody falls in love somehow Something in your kiss just told me My sometime is nowEverybody finds somebody someplace There's no telling where love may appear Something in my heart keeps saying My someplace is hereIf I had it in my power I'd arrange for every girl to have your charms Then every minute, every hour Every boy would find what I found in your arms Everybody loves somebody sometime And although my dream was overdue Your love made it well worth waiting For someone like youIf I had it in my power I would arrange for every girl to have your charms Then every minute, every hour Every boy would find what I found in your arms Everybody loves somebody sometime And although my dream was overdue Your love made it well worth waiting For someone like you (Everybody loves somebody sometime) Song Discussions is protected by U.S. Patent 9401941.
