

Release Me

Engelbert Humperdinck

Please release me, let me go
For I don't love you anymore
To waste our lives would be a sin
Release me and let me love again I have found a new love, dear.
And I will always want her near.
Her lips are warm while yours are cold
Release me, my darling, let me go (Please release me, let me go)
For I don't love you anymore.
(To waste our life would be a sin)
So release me and let me love again.
Please, release me. Can't you see?
You'd be a fool to cling to me
To live our life would bring us pain
So release me and let me love again
(Let me go, let me go)
