

Straight Out of Line

Godsmack

There's no reason, there's no compromise
Changing seasons, living the high life
I don't know you, so don't freak on me
I can't control you, you're not my destiny
Straight out of line
I can't find a reason, why I should justify my ways
Straight out of line
I don't need a reason, you don't need to lie to me
I'll confess this, you're my tragedy
I've laid you to rest just as fast as you've turned on me
Gone forever, banish the memories
Displays of pleasure, are masked by your misery
Straight out of line
I can't find a reason, why I should justify my ways
Straight out of line
I don't need a reason, you don't need to lie to me
Lie to me
Straight out of line
I can't find a reason, why I should justify my ways
Straight out of line
I don't need a reason, you don't need to
Don't need to lie to me
Lie to me (x4)
