

Cain

Alice Donut

Guess you heard
About the incident
At the high school
It's unfortunate
Out by nag's head
Diamond marsh
They say the body
Was found in parts
You need good friends
Times like these
My heart's bleeding
For the family
Good to meet ya
You can call me cain
Good old comfort
In the pouring rain
Yeah good to meet ya
You can call me cain
My heart's bleeding
From all the pain
You're a good egg
I can tell
Gonna get to know ya
Real well
Marietta!
No one's leaving now
No one's getting out
