My Type

Saint Motel

Oooooh ooh ooh Take a look around the room Love comes wearing disguises. How to go about and choose? Break it down by shapes and sizes. I'm a man who's got very specific taste. You-you-you're just my type Oh, you got a pulse and you are breathing You-you-you're just my type Ooh, I think it's time that we get leaving You-you-you're just my type Oooooh ooh ooh When there's loving in the air Don't fight it, just keep breathing. I can't help myself but stare Double check for double meanings. I'm a man who's got very specific taste. You-you-you're just my type Oh, you got a pulse and you are breathing You-you-you're just my type Ooh, i think its time that we get leaving You-you-you're just my type Oooh ooh. Oooooh ooh ooh You-you-you're just my type Oh, you got a pulse and you are breathing You-you-you're just my type Ooh, I think it's time that we get leaving
