

Narcotic

YOUNOTUS, Janieck & Senex

So you face it with a smile
There is no need to cry
For a trifle's more than this
Will you still recall my name?
And the month it all began?
Will you release me with a kiss? I never took my bill against my will
There was a void I had to fill
You I thought would understand
That there's nothing in this world that's coming first
The only road I know is curved
But I keep walking straight ahead
Now you shaped that liquid wax
Fit it out with crater cracks
Sweet devotion, my delight
Oh, you're such a pretty one
And the naked thrills of flesh and skin
Would tease me through the night Well I hate to leave you bare
If you need me, I'll be there
Don't you ever let me down
Dazed by careless words
Cozy in my mind I never took my bill against my will
There was a void I had to fill
You I thought would understand
That there's nothing in this world that's coming first
The only road I know is curved
But I keep walking straight ahead
And I touched your face
Narcotic mind of lazed, Mary-Jane
And I called your name
Like an addicted to cocaine
Calls for the stuff he'd rather blame And I touched your face
Narcotic mind of lazed, Mary-Jane
And I called your name
My cocaine I don't mind it, I think so
I will let you go
I don't mind it, I think so
I will let you go I don't mind it, I think so
I will let you go
