

H.O.L.Y. (feat. RHODES)

Alle Farben

When the sun had left
And the winter came
And the sky thawed To only bring the rain
I sat in darkness
All broken-hearted
I couldn't find a day
I didn't feel alone
I never ment to cry
Started losing hope
But somehow baby
You broke through and saved me
You're an angel
Tell me you're never leaving
'Cause you're the first thing
I know I can believe in
You're holy, holy, holy, holy
I'm high on loving you
High on loving you
You're holy, holy, holy, holy
I'm high on loving you
High on loving you You made the brightest days
From the darkest nights
You're the river bank
Where I was baptized
Cleansed from the demons
That were killing my freedom
And lay you down
Give me to you
Get you singing, babe, Hallelujah
We'll be touching
We'll be touching heaven
You're an angel
Tell me you're never leaving
'Cause you're the first thing
I know I can believe in
You're holy, holy, holy, holy
I'm high on loving you
High on loving you
You're holy, holy, holy, holy
I'm high on loving you
High on loving you I don't need the stars
'Cause you shine for me

Like fire in my veins
You're my ecstasy
You're my ecstasy You're holy, holy, holy, holy
I'm high on loving you
High on loving you
You're holy, holy, holy, holy
I'm high on loving you
High on loving you You're holy, holy, holy, holy
I'm high on loving you
High on loving you You're holy
