## **H.O.L.Y.** (feat. RHODES)

## Alle Farben

When the sun had left
And the winter came

And the sky thawedTo only bring the rain

I sat in darkness

All broken-hearted

I couldn't find a day

I didn't feel alone

I never ment to cry

Started losing hope

But somehow baby

You broke through and saved me

You're an angel

Tell me you're never leaving

'Cause you're the first thing

I know I can believe in

You're holy, holy, holy, holy

I'm high on loving you

High on loving you

You're holy, holy, holy, holy

I'm high on loving you

High on loving youYou made the brightest days

From the darkest nights

You're the river bank

Where I was baptized

Cleansed from the demons

That were killing my freedom

And lay you down

Give me to you

Get you singing, babe, Hallelujah

We'll be touching

We'll be touching heaven

You're an angel

Tell me you're never leaving

'Cause you're the first thing

I know I can believe in

You're holy, holy, holy, holy

I'm high on loving you

High on loving you

You're holy, holy, holy, holy

I'm high on loving you

High on loving youI don't need the stars

'Cause you shine for me

Like fire in my veins
You're my ecstasy
You're my ecstasyYou're holy, holy, holy, holy
I'm high on loving you
High on loving you
You're holy, holy, holy, holy
I'm high on loving you
High on loving you're holy, holy, holy, holy
I'm high on loving you
High on loving youYou're holy
