

Lola Suzanne

The Chain Gang of 1974

I am nothing
You are nothing
We were nothing
This was nothing
I am broken
You left me broken
Where's this darkness?
I'll speak to your maker and say
Please, please I beg you raise Hannah
Please, please I beg you raise Hannah
Better than Lola Suzanne
Your poor sister
Give her moonlight
Share your secrets, this is real life
Tell her stories
Of trust and Glory
Never let her be
Afraid to love again
Please, please I beg you raise Hannah
Please, please I beg you raise Hannah
Better than Lola Suzanne
Please, please I beg you raise Hannah
Please, please I beg you raise Hannah
Better than Lola Suzanne
We're so tired
We're so scared
Please, please I beg you raise Hannah
Please, please I beg you raise Hannah
Better than Lola Suzanne
