

Take You Dancing (R3HAB Remix)

Jason Derulo

Da-da-da-da-da-da
Da-da-da-da-da-da
Da-da-da-da-da-da
Da-da-da-da-da-da

Jason Derulo Pull up, skrrt-skrrt on your body

Performin' just on my 'Rari

You're too frank, need a ticket

I bet you taste expensive

Pullin' up, up, up all the leader

If you keepin' up, you's a keep up

Tequila and vodka

Girl, you might be a problem

Run away, run away, run away, run away, I know that I should

But my heart wanna stay, wanna stay, wanna stay, wanna stay now

You can see it in my eyes

That I wanna take you down right now if I could

So I hope you know what I mean when I say Let me take you dancin'

Two-step to the bedroom

We don't need no dance flow

Let me see your best move

Anythin' could happen

Ever since I met you

No need to imagine

Baby all I'm asking

Is let me take you dancing

Like da-da-da-da-da-da

Da-da-da-da-da-da

Da-da-da-da-da-da

Da-da-da-da-da-da

Da-da-da-da-da-da

Da-da-da-da-da-da

Da-da-da-da-da-da

Da-da-da-da-da-da Pull up, skrrt-skrrt on your body

There's just us two in this party

That Louis, that Prada

Looks so much better off ya

Turn me up, up, up, be my waitress

Know we not in love, so let's make it

Tequila and vodka

Girl, you might be a problem Run away, run away, run away, run away, I know that I should

(Know that I should)

But my heart wanna stay, wanna stay, wanna stay, wanna stay now

You can see it in my eyes
That I wanna take you down right now if I could
So I hope you know what I mean when I say Let me take you dancin'
Two-step to the bedroom
We don't need no dance flow
Let me see your best move
Anythin' could happen
Ever since I met you
No need to imagine
Baby all I'm asking
Is let me take you dancing Like da-da-da-da-da-da
Da-da-da-da-da-da
Da-da-da-da-da-da
Da-da-da-da-da-da (If you know what I mean)
Da-da-da-da-da-da
Da-da-da-da-da-da
Da-da-da-da-da-da
Da-da-da-da-da-da Let me take you dancin'
Two-step to the bedroom
We don't need no dance flow
Let me see your best move
Anythin' could happen
Ever since I met you
No need to imagine
Baby all I'm asking
Is let me take you dancing Da-da-da-da-da-da
Da-da-da-da-da-da (Oh baby)
Da-da-da-da-da-da (Oh baby)
Da-da-da-da-da-da (If you know what I mean)
Da-da-da-da-da-da
Da-da-da-da-da-da (All night)
Da-da-da-da-da-da
Da-da-da-da-da-da (Dancin')
