

# These Dreams

## Heart

Spare a little candle  
Save some light for me  
Figures up ahead  
Moving in the trees  
White skin in linen  
Perfume on my wrist  
And the full moon that hangs over  
These dreams in the mist  
Darkness on the edge  
Shadows where I stand  
I search for the time  
On a watch with no hands  
I want to see you clearly  
Come closer than this  
But all I remember  
Are the dreams in the mist  
These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake the further I'm away  
Is it cloak and dagger  
Could it be spring or fall?  
I walk without a cut  
Through a stained glass wall  
Weaker in my eyesight  
The candle in my grip  
And words that have no form  
Are falling from my lips  
These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake the further I'm away  
There's something out there  
I can't resist  
I need to hide away, from the pain  
There's something out there  
I can't resist  
The sweetest song is silence  
That I've ever heard  
Funny how your feet  
In dreams never touch the earth  
In a wood full of princes  
Freedom is a kiss  
But the prince hides his face  
From dreams in the mist  
These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside

Every moment I'm awake the further I'm away  
These dreams go on when I close my eyes  
Every second of the night I live another life  
These dreams that sleep when it's cold outside  
Every moment I'm awake the further I'm away
