London Grammar

What are you afraid of? I know that you are Keep it in your sights now And don't let it go far What are you afraid of? Making it better Keep it by your side now Whatever the weather Keep it together Keep it together What did you do? Wonder where your heart came from What have you done? My only friend, keep on Wander or leave Turn into winter lights Keeping your strength When it gets dark at night What are you made of? Water and glass Keep it in your sights now It's keeping you up Keep it together Keep it together What did you do? Wonder where your heart came from What have you done? My only friend, keep on Wander or leave Turn into winter lights Keeping your strength When it gets dark at night Keep... Oh... Keep a straight line I'm running Running A straight line What did you do? Wonder where your heart came from What have you done? My only friend, keep on

Wander or leave
Turn into winter lights
Keeping your strength
When it gets dark at night
What you're feeling
Is what I'm feeling too
What we're made of
Is what I'm made of too
What are you afraid of?
I know that you are
What are you afraid of?
I know that you are
