

Got My Mind Set On You

George Harrison

I got my mind set on you
I got my mind set on you
I got my mind set on you
I got my mind set on you But it's gonna take money
A whole lotta spending money
It's gonna take plenty of money
To do it right, child It's gonna take time
A whole lot of precious time
It's gonna take patience and time, mmm
To do it, to do it, to do it, to do it
To do it right, child
I got my mind set on you
I got my mind set on you
I got my mind set on you
I got my mind set on you And this time I know it's for real
The feelings that I feel
I know if I put my mind to it
I know that I really can do it I got my mind set on you
Set on you
I got my mind set on you
Set on you But it's gonna take money
A whole lotta spending money
It's gonna take plenty of money
To do it right, child
It's gonna take time
A whole lot of precious time
It's gonna take patience and time, mmm
To do it, to do it, to do it, to do it
To do it right I got my mind set on you
I got my mind set on you
I got my mind set on you
I got my mind set on you And this time I know it's for real
The feelings that I feel
I know if I put my mind to it
I know that I really can do it But it's gonna take money
A whole lotta spending money
It's gonna take plenty of money
To do it right, child It's gonna take a-time
A whole lot of precious time
It's gonna take patience and time, mmm
To do it, to do it, to do it, to do it
To do it right

Set on you
Set on youSet on you
Set on you
Set on you
Set on you
Set on you
Set on you

I got my mind on you

I got it set on you
