So I had get me some help
From a little thing called a ju ju bone Gonna get my ju ju bone
Put you right
Gonna get my ju ju bone
Take you down Girl, I think you got trouble
Girl, I think that it's time
Gonna get my ju ju bone What in the hell
Wanna make a man?
Have to break you off a little some
Of my ju ju bone
Hey, my ju ju bone
How many time
Wanna make a man?
Take out his ju ju bone
How many time
Wanna make a man?
Take out his ju ju bone Girl, I think you got trouble
Girl, I think that it's time
Gonna use me my ju ju bone
And take you down What in the hell
Wanna make a man?
Have to break you off a little some
Of my ju ju bone
Hey, ju ju bone
How many time
Wanna make a man?
Take out his ju ju bone
How many time
Wanna make a man?
Take out his ju ju bone Girl, I think you got trouble
Girl, I think that it's time
Gonna get my ju ju bone
And take you down Down with my ju ju bone
