

You Make Me Feel... (Disco Fries Remix)

Cobra Starship

Na na na na na
Na na na na na
Na na na na na
Na na na na na Girl I been all over the world
Looking for you
I'm known for taking what I think I deserve
And you're overdue
And if you you listen you can hear me through the radio
In that bright white noise
What I've been missing in my life
What I been dreaming of
You'll be that girl
You'll be that girl
You'll be
Everything you want
So let me get up there
I'm the baddest baby in the atmosphere
Tell me what you want so we can do just what you like You make me feel that
Na na na na na
You make me feel so
Na na na na na You make me feel that
Na na na na na
You make me feel so
Na na na na na
You make me feel that
Get a little closer to me girl
And you'll understand
'Cause if you want a guy that knows what you need
Well, then I'm your man
And if I listen I can hear you through my radio
In that bright white noise
What I've been missing in my life
What I been dreaming of
You'll be that girl
You'll be that girl
You'll be Everything you want
So let me get up there
I'm the baddest baby in the atmosphere
Tell me what you want so we can do just what you like Everything you know I'm flipping
upside down
Take you 'round the world
You know I like it loud

Tell me what you want 'cuz
We can do just what you like You make me feel that
Na na na na na
You make me feel so
Na na na na na You make me feel that
Na na na na na
You make me feel so
Na na na na na You make me feel that
Na na na na na
You make me feel that
Na na na na na You make me feel so
Na na na na na
You make me feel that
Na na na na na Put your hands up
Put your hands up
Let the lights drop
Let the lights drop
Make my world stop
Make my world stop Na na na na na
Na na na na na You make me feel that
Na na na na na
You make me feel so
Na na na na na
You make me feel that
Na na na na na
You make me feel so
Na na na na na
Oh, you make me feel that
Na na na na na
Oh, you make me feel that
Na na na na na
Oh, you make me feel so
Na na na na na
Oh, you make me feel that
Na na na na na
