

# Futile Devices

## Sufjan Stevens

It's been a long, long time since I've memorized your face  
It's been four hours now since I've wandered through your place

And when I sleep on your couch I feel very safe  
And when you bring the blankets I cover up my face  
I do love you  
I do love you

And when you play guitar I listen to the strings buzz  
The metal vibrates underneath your fingers  
And when you crochet I feel mesmerized and proud  
And I would say I love you, but saying it out loud is hard  
So I won't say it at all  
And I won't stay very long  
But you are the life I needed all along  
I think of you as my brother  
Although that sounds dumb  
Words are futile devices
