

# Shout 2000

## Disturbed

Let it all out  
These are the things I can do without  
Come on  
I'm talking to you  
So come on  
(Shout, shout)Let it all out  
These are the things I can do without  
Come on  
(Come, give it on  
Come, give it on)  
I'm talking to you  
(Come, give it on  
Come, give it on)

In violent times, you shouldn't have to sully your soul  
In black and white, they really really ought to know  
(Just don't know)  
Those one trick minds  
Who took you for a working whore  
Kiss them goodnight  
You shouldn't have to jump for joy  
(Jump, jump, jump, jump, jump)  
You shouldn't have to (shout) for joy (shout)Let it all out  
These are the things I can do without  
Come on  
(Come, give it on  
Come, give it on)  
I'm talking to you  
So come on  
(Come, give it on  
Come, give it on)

They give you life, and in return you gave them hell  
As cold as ice (not witch, you're ice, ice baby)  
I hope we live to tell the tale  
I hope we live to (shout) the tale (shout)  
Let it all out  
These are the things I can do without  
Come on  
(Come, give it on  
Come, give it on)  
I'm talking to you  
So come on

We should never shout? (Huh)I feel as though you're never gonna let it all out

We should never shout? (Huh)  
I feel as though you're never gonna let it all out  
We should never shout? (Huh)  
I feel as though you're never gonna let it all out  
We should never shout? (Huh)  
I feel as though you're never gonna let it...  
And when you've taken down your guard Yeah, if I could change your mind  
I'd really love to break your heart  
(Break, break, break, break, break)  
I'd really love to break (shout) your heart (shout) Let it all out  
These are the things I can do without  
Come on  
(Come, give it on  
Come, give it on)  
I'm talking to you  
(Come, give it on  
Come, give it on)  
So come on  
(Come, give it on  
Come, give it on)  
I'd really love to (shout) Shout shout, let it all out (come on, let me shout, shout let it all out,  
these are things I can do without) These are the things I can do without (come on, come on baby  
I'm talking to you come on, come on baby let me shout shout, let me shout)  
Come on (come on baby let me shout shout let it all out, these are things I can do without)  
I'm talking to you, so come on (come on, come on baby I'm talking to you)  
(Come on, come on baby let me shout shout let me shout)  
Shout  
Shout  
Come on let me shout, shout let me  
Come on let me shout, shout  
Shout!  
Come on let me shout, shout let me  
Come on let me shout, shout  
Shout!
