

# Fifteen

## Never Shout Never

Just the other day  
She was a little girl  
Taking over the world,  
With her smile,  
But just the other day  
I saw that girl  
Sticking her tongue down her throat,  
By a boy, who didn't give a damn  
That she was only fifteen, that she was more than willing  
To take a chance,  
To find romance,  
To grow up fast,  
But I know she is so much better,  
Then to give it all away to the first guy,  
First try,  
First lie,  
First goodbye.  
Just the other day  
She was a little girl  
Taking over the world,  
With her laugh.  
But just the other day I saw that little girl  
Taking her time with him,  
And I can't say I've ever been so proud.  
Cuz she is only fifteen,  
That she was more than willing  
To take a chance,  
To find romance,  
To grow up fast,  
But I know she is so much better,  
Then to give it all away to the first guy,  
First try,  
First lie,  
First goodbye
