

# I Will Follow You

## Toulouse

I will follow you Follow you wherever you may go  
There isn't an ocean too deep  
A mountain so high it can keep  
Keep me away  
Away from my love  
I love you  
I love you  
I love you Where you go, I follow  
I follow  
I follow You'll always be my true love  
My true love  
My true love  
Forever

I will follow you Every since you touched my hand, I knew  
Near you, I always must be  
Nothing can keep you from me  
You are my destiny I love you  
I love you  
I love you I love you  
I love you  
I love you Where you go, I follow  
I follow  
I follow You'll always be my true love  
My true love  
My true love  
Forever

I will follow you Follow you wherever you may go  
There isn't an ocean too deep  
A mountain so high it can keep  
Keep me away  
Away from my love
