

My Promise

Houston

Yeah

I just wanna reassure you
How I feel about you girl
Come on i'm take u away

On a smooth ride to ecstasy Let me sit ya down take your hands so I can talk to you (oooo oooo)

I never felt the way i do when im next to you... you (oooo oooo)

If you were a flower you'd be a red rose baby (oooo oooo)

I give you my word now and forever (oooooooooooo) This I promise you

I'll be there for you now and forever more

This is my promise

This is promise you

I'll be your best friend now and forever more

This is my promise to you

Most guys wouldn't say the words that i'm saying to you
