

# Can You Feel It?

## David Crowder Band

Can you feel it?  
Can you feel it?  
The love in this place  
Can you feel it?  
Can you feel it?  
Can you feel it?  
The grace in this place  
Can you feel it?  
YeahLife makes it so hard sometimes  
To know what's real  
When I can't feel You there  
When I can't see You there  
When I can't comprehend that  
You are there  
You are there  
You're everywhere  
You are everywhere  
Can you feel it?  
Can you feel it?  
The hope in this place  
Can you feel it?  
Can you feel it?  
Can you feel it?  
The peace in this place  
Can you feel it?  
YeahWhen we can't feel You there  
When we can't see You there  
When we can't comprehend that You are there  
You are there  
You're everywhere  
You are everywhereOur God is here  
We believe You're here  
We can feel You here  
We can see You here  
We believe You're here  
You are here  
You are here
