

# Yankee Rose

David Lee Roth

What?  
Well, let me roll up on to the sidewalk and take a look, yes  
Whoa! She's beautiful!  
I'm talking about a Yankee Rose!  
Ha ha ha ha ha!  
And she looks wild, wild, wild, wild! Are you ready for the new sensation?  
Well, here's the shot heard 'round the world  
All you back room boys salute when her flag unfurls  
Well, guess who's back in circulation  
Now, I don't know what you may have heard  
But what I need right now's the original good time girl She's a vision from coast to coast (Coast  
to coast)  
Sea to shining sea (Sea to shining sea)  
Hey sister, you're the perfect host (Make a toast)  
Show me your bright lights  
And your city lights, all right  
I'm talkin' 'bout the Yankee Rose  
Bright lights  
In your city lights, all right  
I'm talkin' 'bout it When she walks, watch, the sparks will fly  
Firecrackin' on the fourth of July  
No sad songs tonight, somethin's in the air  
A real state of independence  
So pretty when her rockets glare  
Still provin' any night that her flag's still there She's a vision from coast to coast (Coast to coast)  
Sea to shining sea (Sea to shining sea)  
Hey sister, you're the perfect host (Make a toast)  
Show me your bright lights  
And your city lights, all right  
I'm talkin' 'bout the Yankee Rose  
Bright lights  
In your city lights, all right  
I'm in love with the Yankee Rose Ah, she's beautiful, alright  
Mmm, nothin' like her in the whole world  
Yeah! She's right on time, I'm on the case  
Pick up the phone, no time to waste  
She got the beat  
And here's a little bit comin' your way  
Oh, raise 'em up there  
Let's see who salutes, baby  
Little bit, little bit, little bit higher  
Here's the mast, swing 'em from here

I wanna get a little bit of apple pie, man  
Bright lights, city lights  
Bright lights, city lights  
Bright lights, city lights
