

Yankee Rose

David Lee Roth

What?
Well, let me roll up on to the sidewalk and take a look, yes
Whoa! She's beautiful!
I'm talking about a Yankee Rose!
Ha ha ha ha ha!
And she looks wild, wild, wild, wild! Are you ready for the new sensation?
Well, here's the shot heard 'round the world
All you back room boys salute when her flag unfurls
Well, guess who's back in circulation
Now, I don't know what you may have heard
But what I need right now's the original good time girl She's a vision from coast to coast (Coast
to coast)
Sea to shining sea (Sea to shining sea)
Hey sister, you're the perfect host (Make a toast)
Show me your bright lights
And your city lights, all right
I'm talkin' 'bout the Yankee Rose
Bright lights
In your city lights, all right
I'm talkin' 'bout it When she walks, watch, the sparks will fly
Firecrackin' on the fourth of July
No sad songs tonight, somethin's in the air
A real state of independence
So pretty when her rockets glare
Still provin' any night that her flag's still there She's a vision from coast to coast (Coast to coast)
Sea to shining sea (Sea to shining sea)
Hey sister, you're the perfect host (Make a toast)
Show me your bright lights
And your city lights, all right
I'm talkin' 'bout the Yankee Rose
Bright lights
In your city lights, all right
I'm in love with the Yankee Rose Ah, she's beautiful, alright
Mmm, nothin' like her in the whole world
Yeah! She's right on time, I'm on the case
Pick up the phone, no time to waste
She got the beat
And here's a little bit comin' your way
Oh, raise 'em up there
Let's see who salutes, baby
Little bit, little bit, little bit higher
Here's the mast, swing 'em from here

I wanna get a little bit of apple pie, man
Bright lights, city lights
Bright lights, city lights
Bright lights, city lights
