

# Like It Or Not

Bob Moses

Like it or not  
You know it's true  
There is most  
That you can do  
Feeling so small  
You feel it too  
Like it or not  
You know it's true  
There is most  
That you can do  
Feeling so small  
You feel it too  
Like it or not  
You know it's true  
There is most  
That you can do  
Feeling so small  
You feel it too  
Feeling it all  
Inside of you
