

Ride Around

Matt OX

Gang
Ride around, gang
Ride around, gang (I'm workin' on dying)
Ride around, gang
Ride around, gang
Ride around with the gang
Gang, gang Ride around with the gang
Ride around, gang
Ride around, gang
Ride around with the gang
Ride around, gang
Ride around, gang
Ride around with the gang
Ride around with the gang
Yeah, ride around with that bag (What, yeah)
Ride around with the kid (The kid)
I'm ridin' fast, no cap (Cap)
I need the bag, no cap (No Cap)
Runnin', I'm lit (Lit, ooh-we)
On the band, ooh
She lookin' like who is he, countin' that blue and green
Came out the limousine, with my neck on freeze
Heard your dimands VVs
Well, I just put a Plain Jane on my momma keys
Then I paid the lease
I got so much green, feel like it grow from trees
I had pepperoni, had to get the cheese
I had to get that knots stuffed up in that bag
I had to get them knots, I had to get them racks
Just got off the plane, I'm in LAX
Just saw your Plain Jane, it look like a mess
Try make your money stretch
Keep tryna say you next
Get a bag, first step
Keep on stackin' it, keep on stackin' it
Keep on rackin' it, keep on st-
Keep on stackin' it, keep on stackin' it
Keep on rackin' it, keep on st-
Ride around with the gang
Ride around, gang
Ride around, gang
Ride around with the gang

Ride around, gang
Ride around, gang
Ride around with the gang
Ride around with the gang
