

# Lasso

## Phoenix

Where would you go?  
Not long ago  
I've been thinking out loud  
Why so suddenly? Don't you know?  
Don't do it  
What you do Oh What you do to me  
Forever is a long long time  
When you've lost your way  
Trying to follow your ideal Oh sorry but your so called life  
It is such a waste  
Wear your real eyes  
No you don't realize  
What you say yes to  
But you say yes too  
Where would you go  
Where would you go With a lasso?  
Could you run into  
Could you run into  
Could you go and run into me? Where would you go  
Where would you go  
Tied up in a lasso?  
Could you run into Could you run into  
Could you go and run into me?  
So lonely so pretty such a lack of diplomacy  
You can't get out  
Don't you know don't do it  
what you do well you should do to me  
Far-out, so far-out  
Such a fall-out Not only that you're lonely  
Don't matter if you're not so well  
No you're not so well  
Where would you go Where would you go  
With a lasso?  
Could you run into  
Could you run into  
Could you go and run into me?  
Where would you go  
Where would you go  
Tied up in a lasso?  
Could you run into  
Could you run into  
Could you go and run into me?

Wear your real eyes  
No you don't realize  
What you say yes to  
But you say yes too  
Tomorrow is a long long time  
When you've lost your way  
Tomorrow is a long long time  
When you've lost your way
