

# Figures

Jessie Reyez

Figures

I gave you ride or die and you gave me games

Love figures

I know I'm crying cause you just won't change

Love figures

I gave it all and you gave me shit

Love figures

I wish I could do exactly what you did

I wish I could hurt you back

Love, what would you do if you couldn't get me back

You're the one who's gonna lose

Something so special, something so real

Tell me boy, how in the fuck would you feel?

If you couldn't get me back

That's what I wish that I could do to you, you

To you, you

Figures

I'm the bad guy cause I can't learn to trust

Love figures

You say sorry once and you think it's enough

I got a lineup of girls and a lineup of guys

Begging for me just to give 'em a try

Figures

I'm willing to stay

Cause I'm sick for your love

I wish I could hurt you back

Love, what would you do if you couldn't get me back

You're the one who's gonna lose

Something so special, something so real

Tell me boy, how in the fuck would you feel?

If you couldn't get me back

That's what I wish that I could do to you, you

To you, you
