Gibberish (feat. Travie McCoy)

MAX

I gave you all my loving At first I had a dozen But I ain't doing nothing to ever do you like that But then I caught you creeping Secrets that you were keeping Like every other weekend Why you do me like thatSo now you say you take it all back Yeah, that don't mean jack Cause I know the facts I swear you must be smoking that crack I'm dipping so fast Yeah, I don't need that Now you're running your mouth But there's nothing that can slow me down You're messing around Got me thinking that it's time to you go Ooh, ooh, ooh, ooh, ooh Cause I'm not listening, no Ooh, ooh, ooh, ooh, ooh I see you move your lips, but it sounds like gibberishI don't need to uncover Rising way up above ya Go run and tell your mother Why you do me like that Good luck with all the others Don't care about the number You all deserve each other Why you do me like that So now you say you take it all back Yeah, that don't mean jack Cause I know the facts I swear you must be smoking that crack I'm dipping so fast Yeah, I don't need thatNow you're running your mouth But there's nothing that can slow me down You're messing around Got me thinking that it's time to you go Ooh, ooh, ooh, ooh, ooh Cause I'm not listening, no Ooh, ooh, ooh, ooh, ooh I see you move your lips, but it sounds like gibberishThese girls like to talk, wait a minute I'm talking back (shh) Say that she wanted to love me forever, but I was just trying to smash

First date and I'm taking it back Bought herself a ring, I didn't take her to Jared's Russell Wilson and she'll be making a pass We just met, but I think she arranging a marriage Like, stop, just hold up Not the type to get hopes up I go hard like I'm suppose to But you back down like a post up Oh wait, is that my poster Album signed by yours truly I swear you said that you don't know me But girl it looks like you kinda knew me Oh shit, obsessed, but i'm already undressed Already got like 99 problems, and I ain't trying to confess I did my best to move away But she follow me with that bouquet So I shaved my head, bought a toupee But she too smart like LupeNow you're running your mouth But there's nothing that can slow me down You're messing around Got me thinking that it's time to you go Ooh, ooh, ooh, ooh, ooh Cause I'm not listening, no Ooh, ooh, ooh, ooh, ooh I see you move your lips, but it sounds like gibberish Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
