

# Beta Love

## Ra Ra Riot

Golden light, turn away  
If I run to you, would you stay?  
I might be a prototype, but we're both real inside  
Would you take me up this time?  
Come take me up this time  
Cause I'm gonna find that place the way that I want I will find my beta love  
When I find my beta love  
You will be my beta love  
My beta love  
Now we're getting closer  
In this hole, I believe  
You can't tell me no, it's no dream  
In this city of robot hunts, as we're made to be  
You take me up this time  
You take me u? this time  
I was made in that place, no way to deny I will find my beta love  
When I find my beta love  
You will be my beta love  
My beta love  
Now we're getting closer  
Oh, aye, oh, aye, oh  
My beta love  
When I find my beta love  
You will be my beta move  
My beta love  
Now we're getting closer  
My beta love  
When I find my beta love  
You will be my beta move  
My beta love  
Now we're getting closer  
Close to you
