

Electrified

Megan Nicole

Oooh, yeah
Uuuh uh! And I'm feeling so electrified
You got me burning
You got me falling baby
And I'm feeling so electrified Excuse if I'm being rude,
But I don't mean to stare
I think I've seen you but I really can't remember where
Your eyes are bluer than I really ever could forget
I need to look away
Oh no, oh no
I see you walking my way
and I don't know what to say
Hello, hello now here I go again
Hey hey, you got me spinning
Hey hey, you got me going crazy
And I'm feeling so electrified
Hey hey, you got me burning
Hey hey, you got me falling baby
And I'm feeling so electrified
And when we talk it's like I knew you in another life
You got me hooked so baby, this can't be just for a night
Your words are soft so I believe every time you say
You've never felt this way! Oh no, oh no
I've heard this lie before
It's something I can't ignore
Oh no, oh no
Now here I go again!
Hey hey, you got me spinning
Hey hey, you got me going crazy
And I'm feeling so electrified
Hey hey, you got me burning
Hey hey, you got me falling baby
And I'm feeling so electrified
Feel the rush when sparks heat
Feel my skipping heartbeat,
You know you caught me by surprise
And now I'm feeling alive! Ooh oh oh ooh
And I'm feeling so electrified
Oooh oh oh ooh! Hey hey, you got me spinning
Hey hey, you got me going crazy
And I'm feeling so electrified
Hey hey, you got me burning

Hey hey, you got me falling baby
And I'm feeling so electrified
