

She Wildin' (feat. Chris Brown)

Fabulous

Ooh she wildin', wildin'
Ohh she wildin', wildin'
Ohh she wildin', wildin'
She do her thang, thang
Ohh she wildin', wildin'
She do her thang, thang
Ohh she wildin', wildin'
She do her thang, thang
Ohh she wildin', wildin'
She do her thang, thang
She just wanna shake something
Girl that ass gon' make money
Ooh she wildin, wildin'
She do her thang, thang
Oh she wildin', wildin'
She do her thang, thang
Said she like it raw, beat that pussy up
You ain't never fuck a thug
You gon' fall in in love
A bottle of that liquid courage on the way now
All my ladies taking shots, I know that they down
I said ooh, she wildin' wildin', she do her thang thang
Lames get shot down, she do a bang bang
She attract rappers and the ones who who the same thang
Playas in the league and dope boys who slang thangs
All tryna pull up on her, all she do is lane change
They be all in the air, 100 be the main thing
Tryna lock her down, she ain't with the Chain Gang
Wanna make her wifey, but no name change
She be on that Brikin to Chanel type of name change
She be stuntin', she be on her Jackie Chan thang
Big chain Rollie in the sky, let your thang swang
Mike with the iced out, Mike plain Jane
Either way you know what time it is, gotta maintain
Mr. Childs' girl, not a pimp chain thang
Whole crew bad, it's a pretty gang thang
Long hair, don't care, let it hang thang
Ooh she wildin', wildin'
She do her thang, thang
Ohh she wildin', wildin'
She do her thang, thang
Ohh she wildin', wildin'
She do her thang, thang

Ohh she wildin', wildin'
She do her thang, thang
She just wanna shake something
Girl that ass gon' make money
Ooh she wildin, wildin'
She do her thang, thang
Ohh she wildin', wildin'
She do her thang, thang
Said she like it raw, beat that pussy up
You ain't never fuck a thug
You gon' fall in in love
A bottle of that liquid courage on the way now
All my ladies taking shots, I know that they down I said ooh, she pop a Molly and do her thang
thang
Take the grapefruit and do that brain thang
Man, that ruby red, that shit done change things
I'ma bout to bust, but before I go bang bang
Hold up, she climb up on it like she King Kong
Back and forth on that table, like she ping pong
She tell me play the dirty version, not the clean song
She tell me fuck her in the dark, with my bling on
And she do this thing to me, she know I like
She need no one to check, she know that mic
She like when Spider-Man climb up them walls
She be so wet, feel like you in The Falls
She like Niagara, man fuck your Viagra
She make you cum fast and fuck up your swagger
She make you come back, like that boomerrang
Ooh she be wildin' when she do her thang
When she do her thang
When she do her thang
When she do her thang
Ooh she be wildin', when she do her thang
Ooh she wildin', wildin'(yeah)
Ohh she wildin', wildin'(oh no)
Oh she wildin', wildin'
She do her thang thang
Ohh she wildin wildin'
she do her thang thang
Oh she wildin'wildin
She do her thang, thang
Ohh she wildin, wildin'
She do her thang thang
She just wanna shake something
Girl that ass gon' make money
Ooh she wildin, wildin'
She do her thang, thang
Ohh she wildin wildin'
She do her thang thang

Said she like it raw, beat that pussy up
You ain't never fuck a thug
You gon' fall in in love
A bottle of that liquid courage on the way now
All my ladies taking shots, I know that they down
