

Before Tomorrow Comes

Alter Bridge

I couldn't sleep
I had to listen
To a conscience
Knowing so well
That nothing comes
From indifference
I look inside of myself Will I find some
Kind of conviction
Or will I bid the hero farewell
Will I be defined by things
That could've been I guess time will only tell
I guess time will only tell
So don't let it be
Before tomorrow comes
Before you turn away
Take the hand in need
Before tomorrow comes
You can change everything I curse my worth and every comfort
That blinded me for way too long
Damn it all, I'll make a difference
From now on Cause I'm wide awake to it all
Cause I'm wide awake to it all So don't let it be
Before tomorrow comes
Before you turn away
Take the hand in need
Before tomorrow comes
You can change everything
Does anyone care
It ain't right
What we're doing
Does anyone care
It ain't right
Where we're going
Does anyone dare
Justify how we're living
Does anyone here care at all?
So don't let it be
Before tomorrow comes
Before you turn away
Take the hand in need
Before tomorrow comes
You can change everything

We could be
So much more
Than we are
We could be
So much more
Than we are
We could be
So much more
Than we are
Oh this much I know
