

Love Shoulda Brought You Home

Toni Braxton

Should I even listen, should I even try
Will I just be hearing the same old lines, baby
See it doesn't matter what you say this time
'Cause our whole relationship is built just on one lie
You say things aren't the way they seem
But still you can't come straight with me
How can you think that you're in love
When you don't know the meaning of
Love shoulda brought you, brought you home last night
You shoulda been with me, shoulda been right by my side
Baby, if you cared anything for me
Then love woulda brought you to me last night
I gotta hand it to ya, ya had me there for a while
I was so in love with you, I couldn't see past your smile
Now I smell the coffee boy, I got a wake up call
And it left the message that you just don't care at all
You can't expect me
To believe that she doesn't mean anything
You say that you love only me
Your kinda lovin' my darling, I just don't need
Love shoulda brought you, brought you home
last night
You shoulda been with me, shoulda been right by my side
Baby if you cared anything for me
Then love woulda brought you to me last night
Love shoulda brought you, brought you home
last night
You shoulda been with me, shoulda been right by my side
Baby if you cared anything for me, then you woulda been sincere
And I wouldn't be in tears, and love woulda brought you to me last night
Oh baby why, why do
men think that love's just for the moment
Not over time, please tell me why?
Why should I think that you're gonna be sincere? Are you deservin'?
Don't blame me if I just don't believe, I just don't believe
That you'll always be here
Love shoulda brought you, brought you home last night
You shoulda been with me, shoulda been right by my side
Baby, if you cared anything for me
Then love woulda brought you to me last night
Love shoulda brought you, brought you home
last night
You shoulda been with me, shoulda been right by my side
Baby if you cared anything for me
Then love woulda brought you to me last night
Love shoulda brought you, brought you home
last night
You shoulda been with me, shoulda been right by my side
Baby if you cared anything for me
Then love woulda brought you to me last night
Love shoulda brought you, brought you home

last night

You shoulda been with me, shoulda been right by my side
Baby if you cared anything for me
Then love woulda brought you to me last night
